**Dr GEORGE Christian**

**Within France: 06 11 41 87 24**

**From abroad: ++33 6 11 41 87 24**

**Mme Philippe-Saboul Audrey**

**Within France: 06 28 35 05 24**

**From abroad: ++33 6 28 35 05 24**

## Conference venue

Lyon is known for its historical and architectural landmarks and is a UNESCO World Heritage Site. The city was historically known as an important area for the production and weaving of silk and in modern times has developed a reputation as the capital of gastronomy in France. It has a significant role in the history of cinema due to Auguste and Louis Lumière, who invented the cinematographe in Lyon.

Economically, Lyon is a major centre for banking as well as for chemical, pharmaceutical, and biotech industries. The city contains a significant software industry with a particular focus on video games, and in recent years has fostered a growing local start-up sector. Lyon also hosts the international headquarters of Interpol, Euronews and International Agency for Research on Cancer. By some measures, Lyon is ranked 2nd in France as an economic centre and convention centre. Lyon was ranked 8th globally and 2nd in France for innovation in 2011. It ranked 2nd in France and 38th globally in Mercer's 2010 liveability rankings.

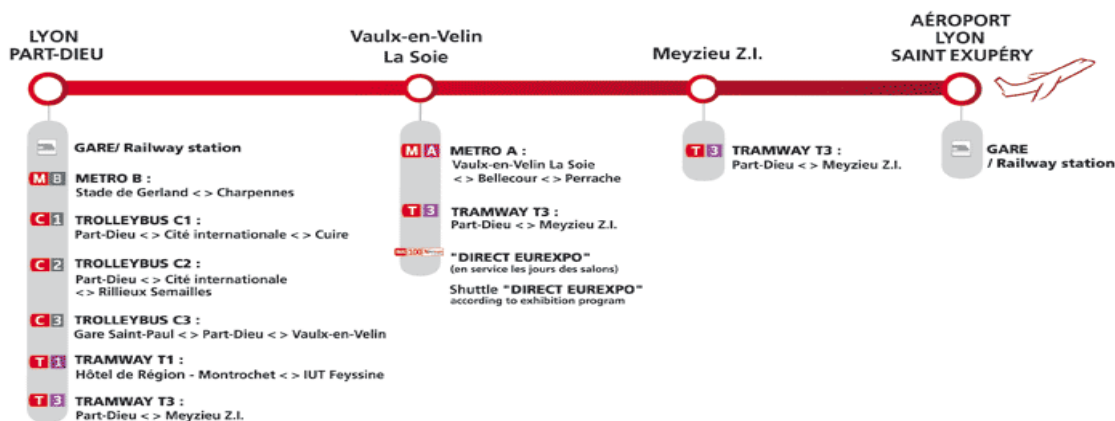

## Lyon Public Transport

### FROM THE AIRPORT

The Rhônexpress Express Tram is the fastest, most reliable and a seamless link between the centre of Lyon and the Lyon-Saint-Exupéry Airport, with a journey time of less than 30 minutes and no risk of congestion.

You do not need to book a seat in advance to use Rhônexpress - just come to your chosen station and board the tram. You can also buy tickets at a ticket machine: Lyon-Saint-Exupéry if you are travelling towards Lyon.

You can also buy your ticket on this website to avoid the queues, or from the conductor if you do not have the time to do so beforehand (an additional charge of 1€ is applied by transaction on board regardless the number of tickets). During your trip, the conductor will ask to see your E-Ticket or ticket and to validate it.

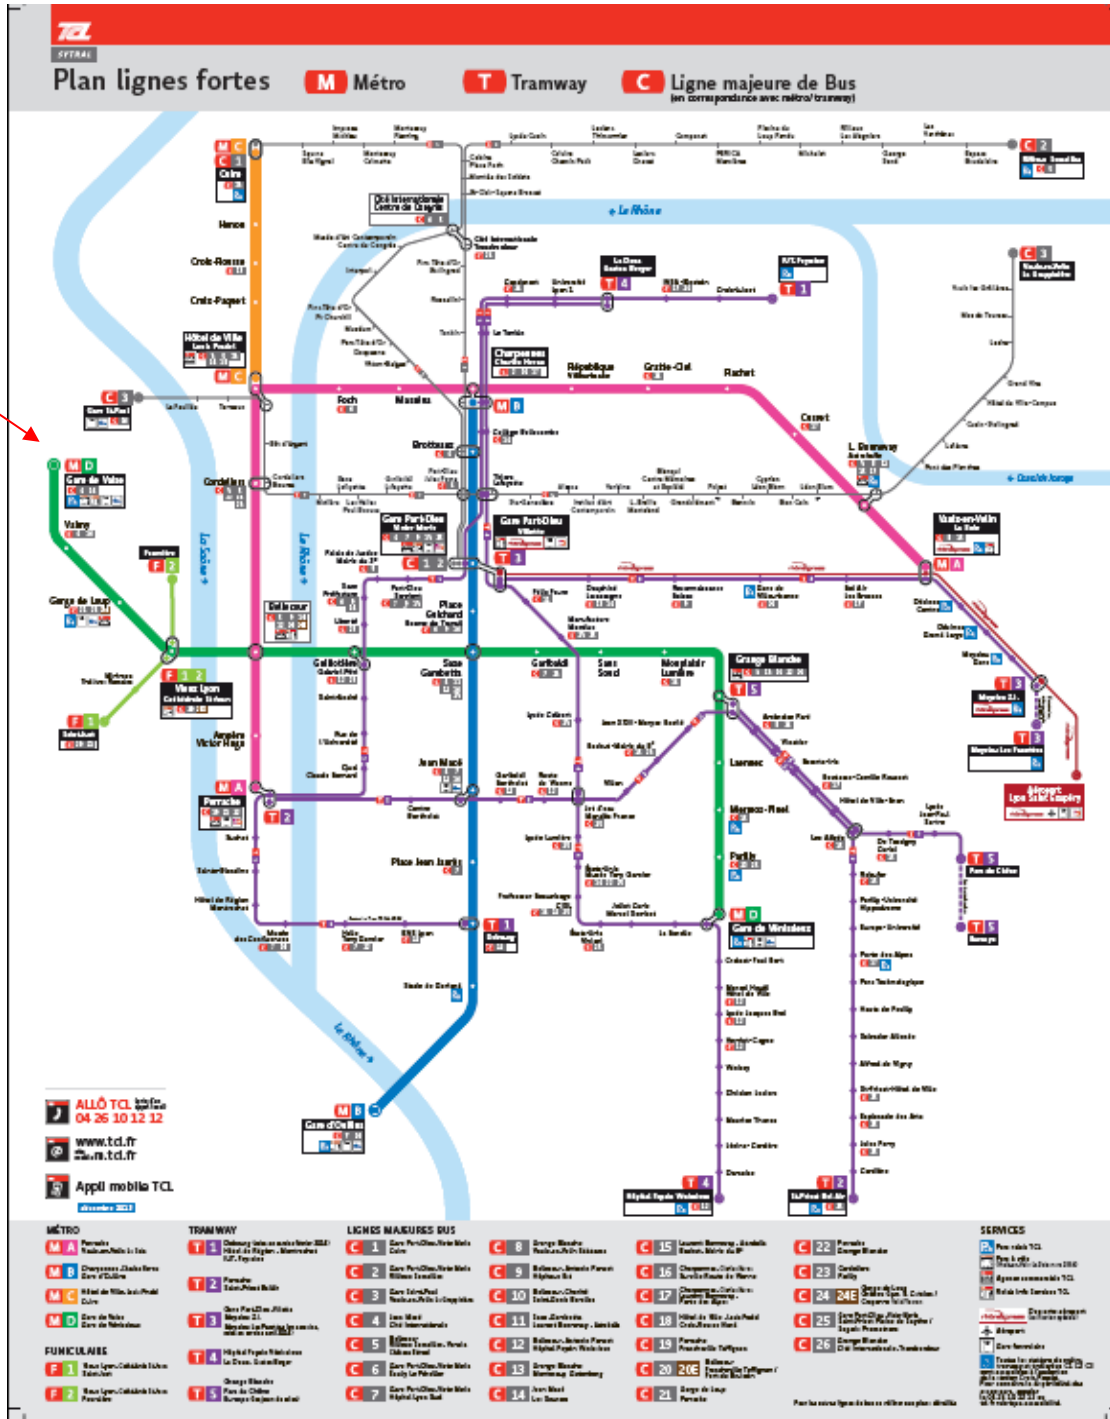

### IN LYON

In Lyon, the TCL network enables you to combine modes of transport as you wish with a single ticket. However, you need to validate your ticket each time you change lines, except from one metro line to another.

Single ticket: 1, 70€

Tickets on the bus: 2€

Liberty tickets one day: 5, 20€

## Conference venue: IWAY

-  4 rue Jean Marcuit, Lyon 9

### Register schedule

The registration will be on Tuesday 15th April 2014, between 1:00 and 2:00 PM to the Iway welcome desk.

However we will be available for your registration if you arrive later.

### Registration costs

The registration fees include full board starting from 15th evening up to the 17th lunch time. The accommodations are at your own charge.

Note however that all additional costs (such as phone calls, extra drinks, etc...) will be at your own charge.

### Internet Access

Free WLAN access will be provided at I-way. Do not forget to ask to the registration desk for the WLANlogin.

### Insurance

Please arrange your own travel and health care insurance. The organisers will not be held liable for accidents, theft and property damage, nor for delays or any modification in the program.

### Poster session

We do intend to organise a poster session with poster viewing being possible during the full duration of the meeting. In the afternoon of the 16th April (from 16h30), a dedicated session will focus on the poster.

We would then be honoured if you would present your latest work as posters during this meeting.

### Entertainments
